The Provi of 1952

PUBLISHED BY THE SENIOR CLASS
PROVISO TOWNSHIP HIGH SCHOOL
MAYWOOD, ILLINOIS

Foreword

To present "Living at Proviso in 1951-1952" is the purpose of this book. Each day of the school year is a part of a life-enriching education. The lives we are living now, at Proviso, learning to think clearly, developing well-rounded characters, performing useful services, and intelligently preparing for the future will result in helping us mature into the type of citizens which form the keystone of a successful democracy.

In Remembrance

William A. Gee

1895—1951

The death of William A. Gee was a grave loss to the school and to the community. As a member of the Board of Education for ten years, he gave unsparingly of his energy to the betterment of our school, for though he was active in many civic organizations, Proviso was his love.

A pat on the back—a hearty handshake—a jolly laugh—these characterized Mr. Gee, a man who derived his greatest joy in life from helping others.

Besides controlling the school finances, they also regulate institutional policies and direct all improvements of school property and facilities. In addition to discharging the obligations of their own positions in business and industry, these men spend countless hours protecting the interests of the school.

Dr. E. R. Sifert, superintendent, attends all Board meetings as consultant on educational matters.

Administration Office . . . Personal Guidance

With all the complex organization details of the school in his mind, the duties of C. C. Taggart, assistant superintendent, never cease. He directs all student enrollment, and heads the College Committee. Mr. Taggart is respected by faculty and students alike as the last authority on all statistical matters concerning the school. One of the driving forces who keeps track of everything and everybody, Mr. Taggart is a reliable source for information and direction.

Miss Mary Carroll, registrar, is responsible for the accuracy of the permanent records in the main office. She handles all incoming credits, and the transcripts that are forwarded to colleges.

Six counselors help students with their individual problems by offering sound helpful advice in private consultation and, during the first two years, in counseling classes. Recording daily attendance and issuing admittance slips are some of their clerical duties. Respective counselors help the freshman boys and girls plan their counseling-class parties; and upper-class counselors assist with Girls' League teas and other student parties. The freshman counselors are Miss Virginia Hayward and H. E. Carr; sophomore, Miss Ruth Beck and O. O. Dillner; junior and senior, Miss Lois Moore and J. W. Hinds.

Library . . . Source of Informative and Leisure Reading

With 15,000 volumes lining the walls, the spacious oak-panelled library, with balcony and three adjoining offices, offers a peaceful atmosphere for research and leisure reading.

Mrs. Lillian Boula and her assistant librarians, Mrs. Fern Jacobs and Miss Mary Gillham, give library talks to senior classes and willingly assist the students individually. Mrs. Henrietta Kroepel acts as the library secretary. To aid the librarians, students, acting as pages, offer their services.

In various places around the room are display cases in which the work of students of various organizations and departments are exhibited.

By displaying books which suggested "Unite for Freedom," the library celebrated American Education Week.

Health . . . Special Education

SCHOOL NURSE

Miss Helen Robinson, school nurse, administers first aid to students who become ill or are injured on the school property. She keeps students' health records and assists with eye and ear examinations, tuberculin tests, and health examinations.

SPECIAL EDUCATION CLINIC

Annually, under the direction of C. E. A. Moore, speech and hearing tests are administered to all freshmen; hearing tests to all juniors. Mrs. Ottie Erickson, secretary, assists in testing. With the help of Dr. Irwin G. Spiesman, eye, ear, nose and throat specialist who donates his services once each week, Mr. Moore treats all defects which the testing reveals. Aided by the latest instruments and devices, and jointly supported by the state and the township, the clinic staff gives treatment without charge.

Miss Dorothy Cherrington, director of the remedial reading clinic, helps students overcome reading difficulties and supervises those who visit her office to use the scientific equipment to increase reading speed.

"Unite for Freedom" was the general theme chosen for American Education Week. The initial objective of the national program was to extend health and educational opportunities. To enlist community interest, Proviso invited parents to the Freshman Open House on November 11. To promote better understanding among teachers of the township, an articulation tea was held with seventh and eighth grade teachers as guests. Throughout the week students and faculty participated in school and civic activities. The students heard lectures on the United Nations by Miss Anne Guthrie and Dr. Walter Laves. Miss Mary West was general chairman of the week's activities.

Food and Fun Abound in the Cafeteria

Gossip and good food combine to make a cheerful lunch period.

Mrs. Gladys Grenier, acting manager.

Mrs. Eleanor Johnson and her staff prepare scrumptious meals for famished boys and girls.

The most enjoyable period of the day is spent in the cafeteria. The new sound-proofing installed this year has muffled the deafening combination of chatter, laughter, and noise of dishes.

Tasty, nourishing meals for more than 3,000 students are prepared and served daily during four half hour lunch periods by the staff of friendly, helpful workers who also serve many evening banquets.

Mrs. Gladys Grenier, acting cafeteria manager during the absence on leave of Mr. James Folen, shares her responsibility with Mrs. Eleanor Johnson in charge of food preparation. Mrs. Hattie Haupt, secretary to the Board of Education, supervises the planning of menus and does the purchasing.

Maintenance Department . . . Receiving Room

In a school the size of Proviso the work of the maintenance department never ceases. Their numerous responsibilities include the upkeep of the six buildings and the grounds, the management of stage equipment, and the operation of the various mechanical devices of the school.

The white-clad matrons are always ready to lend a helping hand in the girls' physical education department. They also perform essential duties in the care of the girls' wash rooms.

Nature's Beauty

To us, God has given this wonderful duty—
Enjoy to the fullest all nature's great beauty:
The beauty of winter with wild swirling snow,
The black webs of trees and the sun's dark red glow,
The delicate patterns of snowflakes, and frost
Like intricate etchings with silver embossed.
And always nearby is the beauty of clouds,
Some, billowing up like a schooner's white shrouds,
Or stained by the sunset with beautiful dye
In crimson and gold on a darkened blue sky.
Or rolling in billows of purple and black,
Clouds rumble and roar at each fiery crack
Of lightning; with thundering noise they resound,
And torrents of rain splash and spatter the ground.
At dawn, the green grass has a glimmering hue,
As if drops of the sun were encased in the dew.
In forests, the flowers grow fragrant and fresh.
A few hold some spider's soft, silvery mesh.
Butterflies glide by the colorful flowers,
While birds sing above in lush, green forest towers.
To us, God has given this wonderful duty—
Enjoy to the fullest all nature's great beauty.

Seniors Plan and Direct Lively Activities

As seniors last autumn we walked Proviso's halls with new-found dignity. This was our school and we were proud to be a part of it. Now, when we look back on our senior year, many memories come to mind—the precedent of obtaining the cherished class rings in autumn—the serious thoughts from hearing inspiring speakers—the exciting mixers—measurements for the significant caps and gowns —the senior class play, a delightful comedy, *Father of the Bride*—the dazzling beauty of the Prom—practicing the processional—Class Day— the revelation of the Provi of 1952—the serious Commencement ceremony. How quickly this last year has passed, now to live only in retrospect.

In the flourish of getting back to school last fall, we came to the wonderful realization that we were upperclassmen. We enjoyed our autumn party, "Fall Fantasy;" the junior-senior winter mixer, "Mistletoe Magic;" the junior-senior spring mixer, "Shangri-La;" and last, but most important to all, the May Prom.

Our committees, led by class officers and faculty advisers, carried us through our eventful junior year in elegant style with our class play, "Seventeen," and our various other extra-curricular activities.

Now we are ready to accept all the new responsibilities and experiences that will face us as seniors next fall.

As we returned to school in the fall, we experienced a sense of belonging. Being sophomores, we were now an established part of the school. We no longer felt hesitant about joining new clubs, but seemed to rush into every possible activity. Many new friends found their way into our lives.

We had two parties, one in the autumn and one in the spring. The fall party, "Autumn Frolic," was held after school in the upper gym. By spring we were grown up enough to have an evening party in the fieldhouse, using the breath-taking prom decorations.

We congratulate the eighteen members of our class who received bronze scholarship medals. Here's hoping that they'll all be on the silver and gold medal lists.

Now that we are practically adults and have learned so many new things during our second year, by September we will undoubtedly be the best junior class Proviso ever knew.

Do you remember nine months ago when we first came to Proviso, a little worried at entering such a large school? On Freshman Day we met our new teachers, our new classmates, and the friend of all freshmen—the Blue Book. With the aid of the "Big Sisters" and "Big Brothers" we soon found our way around. Proviso is a big school; but then, we are a big class. There are over 1200 of us coming from thirty-seven public and parochial schools, and we have made our presence felt since that very first September day.

We were the first freshman class to have its own talent assembly. We entered whole-heartedly into the many extra-curricular activities at Proviso adding our support to Hi-Y, Girls' League, Student Council, class, and numerous other functions. Our class party will long be remembered by all of us. As freshmen, we showed the upperclassmen what we could do. We shall continue to be seen and heard the next three years and add much to the good name of Proviso.

On April 8 we elected our officers for 1952-1953. The exciting election, under the guidance of the Student Council elections committee, closely resembled that of the village election. Each homeroom was a precinct with the Student Council representative as student judge. We were all very pleased with our new officers: James Whitmore, president; Nancy Hurt, vice-president; Joyce Peters, secretary; Diane Rehfeldt, treasurer. We feel sure that our new officers will do just as grand a job as this year's leaders have done directing our mighty class.

League Activities Further Friendship

To Thatchers' Woods, a picnicking we will go.
One little, two little Proviso Injuns.
The Easter Assembly—inspiring to all.
Here is where fashion reigns supreme.
Are these the lives they will later lead?
Adding a little touch of Christmas spirit.
It's the Girls' League, but I see a fella.
Your guess is as good as mine!
What's a party without refreshments!

Youth is important, to itself and to the world. These words are the basis for the platform of the "junior" division of the Young Men's Christian Association—the Hi-Y. Upon this foundation is raised the structure of an organization devoted to clean speech, clean sportsmanship, clean scholarship, and clean living. Stressing these ideals, the Hi-Y of the world reaches out to the youth of the world in an endeavor to promote the true meaning of brotherhood. Created from an idea that high school boys under interested leadership can face their own problems in their own way and solve them, the Hi-Y has grown and spread throughout the nation and the world in its sixty-three years of existence. The Hi-Y is a mature organization of youth that holds to high standards, meets its responsibilities, and thoughtfully and devotedly seeks to fit into a new world.

The Proviso Youth Fellowship is a service organization with representatives from twenty-three local churches. These representatives presented "The Call to United Christian Youth Movement" Sunday, February third.

Last year's conference theme of the Proviso Youth Fellowship was "The Trial". This year that idea was continued by the presentation of "The Answer" at the 1952 conference which was held February 22-24.

To further their work, the members had planning sessions at picnic and supper meetings. They presented the annual Easter Sunrise Service. Guest nights, at which one church became host to several other churches, rounded out the year's many activities.

The Pageant, Student Weekly,

As the students receive their *Pageant* each week, they seldom realize the hours of work and careful planning that go into making the school paper one of the highest rated high school publications in the country. It has attained international honors in the Quill and Scroll, a medalist rating in the Columbia Scholastic Press Association, and the annual George H. Gallup award.

Under the experienced and watchful eye of Richard L. Daniels, faculty supervisor, the *Pageant* has undergone many important changes in this, its thirty-third year. A change in printers brought a new type style to the publication, and the day of circulation has been advanced from Friday to Thursday.

The seniors guide the *Pageant* through its first semester, while the junior assistants are being trained in the art of journalism. During the last half of the year, the juniors help on the paper, gaining valuable experience for the coming season. Robert T. Stickler and Donald Millette direct *Pageant* circulation and advertising sales respectively.

Jack Averill, managing editor, works on the assignments for the coming week.

CLERICAL STAFF

Shirley Stoll, Jean Wood, Janet Stasinowsky, Lucy Samalonis, Rosamond Rocca, chief.

Each week these efficient distributors put the *Pageants* in the lockers.

These junior assistants will take over the big job of putting out the *Pageant* next year.

Varsity Pirates

DAVENPORT, IOWA—

The season inaugural witnessed the 19-0 slaughter of a highly touted Davenport eleven, and the twelfth straight victory for the mighty Bucs. After a slow first half, the Bucs ran wild, with Joe Aceto, Buzz Grady, and Dave Bremer adding their bit to the terrific onslaught. The Pirate defense gave the crowd a preview of its impenetrable power as it threw the Blue Devil backs for a loss time after time.

WAUKEGAN—

The Pirates met Waukegan's Bulldogs in the 1951 league opener on a rain-soaked field at the Northerners' home grid. The meeting proved disastrous, as the Bucs ended a twelve-game winning streak to the tune of 3-0. A Waukegan fieldgoal in the final minute spelled defeat for the soaked Pirates. However, the Bucs outplayed them during the entire contest, and had two touchdowns called back.

NILES—

The third contest of the season saw the revengeful Bucs massacre a hapless Niles team 33-0 on the loser's field. The Pirates wasted no time impressing the Trojans with their superiority, as they scored within the first two minutes. This set the pattern for the night, as nothing could stop the onrushing Proviso machine.

EVANSTON—

The Bucs met Evanston in a game that could have made the Pirates champions of the Suburban League. Unfortunately, the Wildkits had title hopes of their own, and proceeded to walk over the Pirates 20-7. The Bucs showed a lot of defensive power, however, as they held the Kit running attack scoreless. Timely passing by the Kit backs gave them the victory.

NEW TRIER—

The Blue and White marked up their first league win as they trampled New Trier 27-0 before a Homecoming crowd of approximately 5000. This was the turning point of the season for the Bucs, as they proceeded to walk over the rest of their opponents in rapid succession.

MORTON—

Next in the Pirate comeback trail were the Mustangs of Morton, who met the same fate as their predecessors, a 33-12 defeat. Al Gatti added two more TD's to his fast-growing total that was to earn him second place in league scoring. The Mustangs scored once on a 40-yard pass in the final period.

HIGHLAND PARK—

The following week saw the ever-improving Pirates add their fifth win to the record as they took Highland Park's Little Giants in stride 32-13. This game served mainly as preparation for the annual Buc-Huskie tilt, which was coming up the next Saturday. The whole school was looking forward to this tussle with anticipation, for a win would mean a share of second place.

OAK PARK—

The crowning achievement of the year took place on the final Saturday of the 1951 season as the Blue and White smashed Oak Park for the third straight year. At the game's end the scoreboard read 13-0. Ā driving blizzard raged during the entire game, and the final period was played in four inches of snow. The win caused a three-way tie for second place in the Suburban League.

Pirate Yearlings Start Career Triumphantly

FRESHMAN

An extra large roster of freshmen again proved their strength as they walked through a tough season with a 5 and 3 record. Under the expert guidance of Coaches C. E. Bryan, Rex Griep, Sam Storby, Joe Hartley, and Raymond Rice, the 110 boys split up into three teams, all of which made admirable records.

The Baby Bucs' first defeat came at the hands of Blue Island when they fell, 13-7. They went on to smash Waukegan, 6-0, and Bloom, 20-6, but Evanston tripped them up, 13-0. Undaunted, the freshmen smeared New Trier, 12-0, only to fall to Morton, 26-0, their worst loss in ten years. The season ended victoriously, however, as the Bucs knocked off Highland Park, 20-2, and stormed over Oak Park, 42-0.

Buc Sophs Encounter Rugged Schedule

SOPHOMORE

Despite the experienced leadership of Coaches Lou Slimmer and Floyd Wrobke, the sophomore gridders suffered a somewhat dismal season, finishing up with a 0 and 7 record. Nevertheless, the sophs had great spirit and were better than the scores show. The first game against Argo was canceled. The Bucs then proceeded to fall to Waukegan, 7-6; Niles, 13-6; Evanston, 18-13; New Trier, 13-6; Morton, 27-7; Highland Park, 14-6; and finally, Oak Park, 13-7.

JV's, Future Varsity Stars, Gain Experience

The 1951 edition of the Proviso Junior Varsity, coached by Harold Rattenbury and Ray Chambers, surmounted a rough and tumble season with a record of five wins, two losses, and one deadlock. The first game of the year ended in disaster as the team fell to a powerful Schurz eleven, 6-0. From then on, however, the JayVee machine couldn't be stopped. It chalked up wins over Bloom, Austin, Oak Park, Morton, and Waukegan, while losing only to Evanston and tieing New Trier.

Varsity - Soph Harriers Win Fine Record

On your mark . . . Get set . . . Eager participants wait for the gun.

VARSITY

Proviso's varsity harriers rounded out another laudable season under the experienced eye of Coach H. G. Monilaw. The thinclads wound up with a 6 and 4 record as they whipped Waukegan, Niles, New Trier, and Morton, once; and Oak Park, twice. They were defeated in the meets against Evanston, La Grange, Bloom, and Leyden. The Suburban League meet saw the runners chalk up a third place. Competing against eleven other schools, the thinclads copped another third place ribbon in the district meet.

FRESH-SOPH

The frosh-soph runners marked up another Suburban League championship to climax an almost perfect season. The rookie thinclads captured the first seven meets, beating Oak Park, La Grange, Evanston, Waukegan, Bloom, Niles, and Oak Park again, before losing to Morton. During this span of meets, the sophs also found time to snatch a third place in the Leyden Invitational meet, competing against thirteen other schools.

Varsity Basketball

Proviso's 1951-52 varsity basketball squad suffered one of its most disastrous seasons despite the experienced guidance of Coach Joe Hartley. The cagemen finished their regular season with a not-too-healthy 1-13 record in league play, and a 2-2 showing in free-lance contests. The Bucs' only loop win came at the hands of Evanston, while the rest of the Suburban teams used the Pirates to boost their win records. The Blue and White redeemed themselves somewhat by their fine showing in the Glenbard regional, where they reached the finals before falling to Oak Park, 80-57.

Although the JayVees lost more games than they won, their season was considered successful after a late season surge carried them over Waukegan, Evanston, and Morton in three consecutive games. Under the guidance of Coach John Tiefenthal, new cage aide, the third year men opened the 1951-52 season with triumphs over Waukegan and Oak Park. Then the going got rough, however, and the Bucs were unable to salvage any of the next four games.

This midseason lag saw the Pirates drop many contests by a slim margin, and the record grew heavy in the loss column. However, the belated Buc drive brought the ledger to a 7-8 climax, and rewarded the JayVees with a coveted win over Morton.

Fresh and Soph Squads Have Mediocre Season

SOPHOMORE

The sophomores under the eye of veteran Coach Vernon Kent, started on the 1951-52 season like state champions, as they swamped their first four opponents. However, the next three tilts spelled disaster for the second year men as the loss column gained steadily on the victories. Three quick wins gave fans renewed hope, but another three-game lull brought the Bucs to the last game of the season, in which they redeemed themselves by edging Highland Park, 46-45. The final league tallies, however, were not quite as co-operative, as they offered only a mediocre season record of 9-7.

FRESHMAN

As did their big brothers, the freshman started the season with a bang, sweeping five of the first six games. The Baby Buc machine bogged down at this point, however, and the Pirates lost six in a row, three of them by less than three points. They won only one out of the next three, but climaxed the year with a 44-36 rout of Barrington. Under the present plan which allows the same coach to guide the cage squad through the first two years, Coach Wally Sawosko's charges plan for a more fruitful season next year.

Swimmers Boast State Diving Champ

VARSITY

Proviso's mermen brought home another fine record for Coach Hagen. Stu Kent turned in the finest individual performance of the year as he snatched the state diving crown. Captain Dave Englund, Bob Riedel, Don Gore, Dick Eckhardt and the rest of the varsity team earned a second place tie in the loop standings, but the showing in the suburban and state meets fell below expectations. This was accounted for by the fact that Proviso excelled in teamwork rather than in individual performance.

FRESH-SOPH

The freshmen and frosh-soph tankmen also did well this season. The freshmen topped their endeavors with a fifth place in the Niles invitational meet. The fruit of the frosh-soph's labor was a fourth in their league.

Buc Matmen Win Thirteenth Sectional Title

VARSITY

Coach Lou Slimmer, grappling mentor, topped another fine season by taking the sectional wrestling meet for the thirteenth time in as many starts. The Bucs climbed to third place in the state meet, tying New Trier for this honor.

After smashing Thornton, the Pirates dropped a meet to Leyden for the first time in history. The Slimmermen were avenged as they swept through the next five opponents before dropping a close 18-17 decision to Moline. New Trier was the third and final team to down the Bucs, but the tie with this foe in the Proviso hosted state meet restored the home grapplers' prestige.

Bad weather hampered the Buc pillpounders in their quest for practice. However, it couldn't stop the Pirates from starting the season with three straight wins, the third being over Morton, the team that won the title from the Bucs last year in a playoff. They followed these triumphs with a split with New Trier and a win over Niles. As the *Provi* goes to bed, the Proviso nine are well on the way to bringing their coaches, D. B. Appleton and Joe Wrobke, another successful season.

Lifeguards Insure Safety in Swim Classes

Under the direction of George Hagen, the life guards patrol the pool when it houses the swim classes. Before attaining their significant positions, the boys must have completed a course in life-saving offered at Proviso. Life guarding offers an excellent opportunity for capable boys to gain employment as life guards in local pools during the summer months.

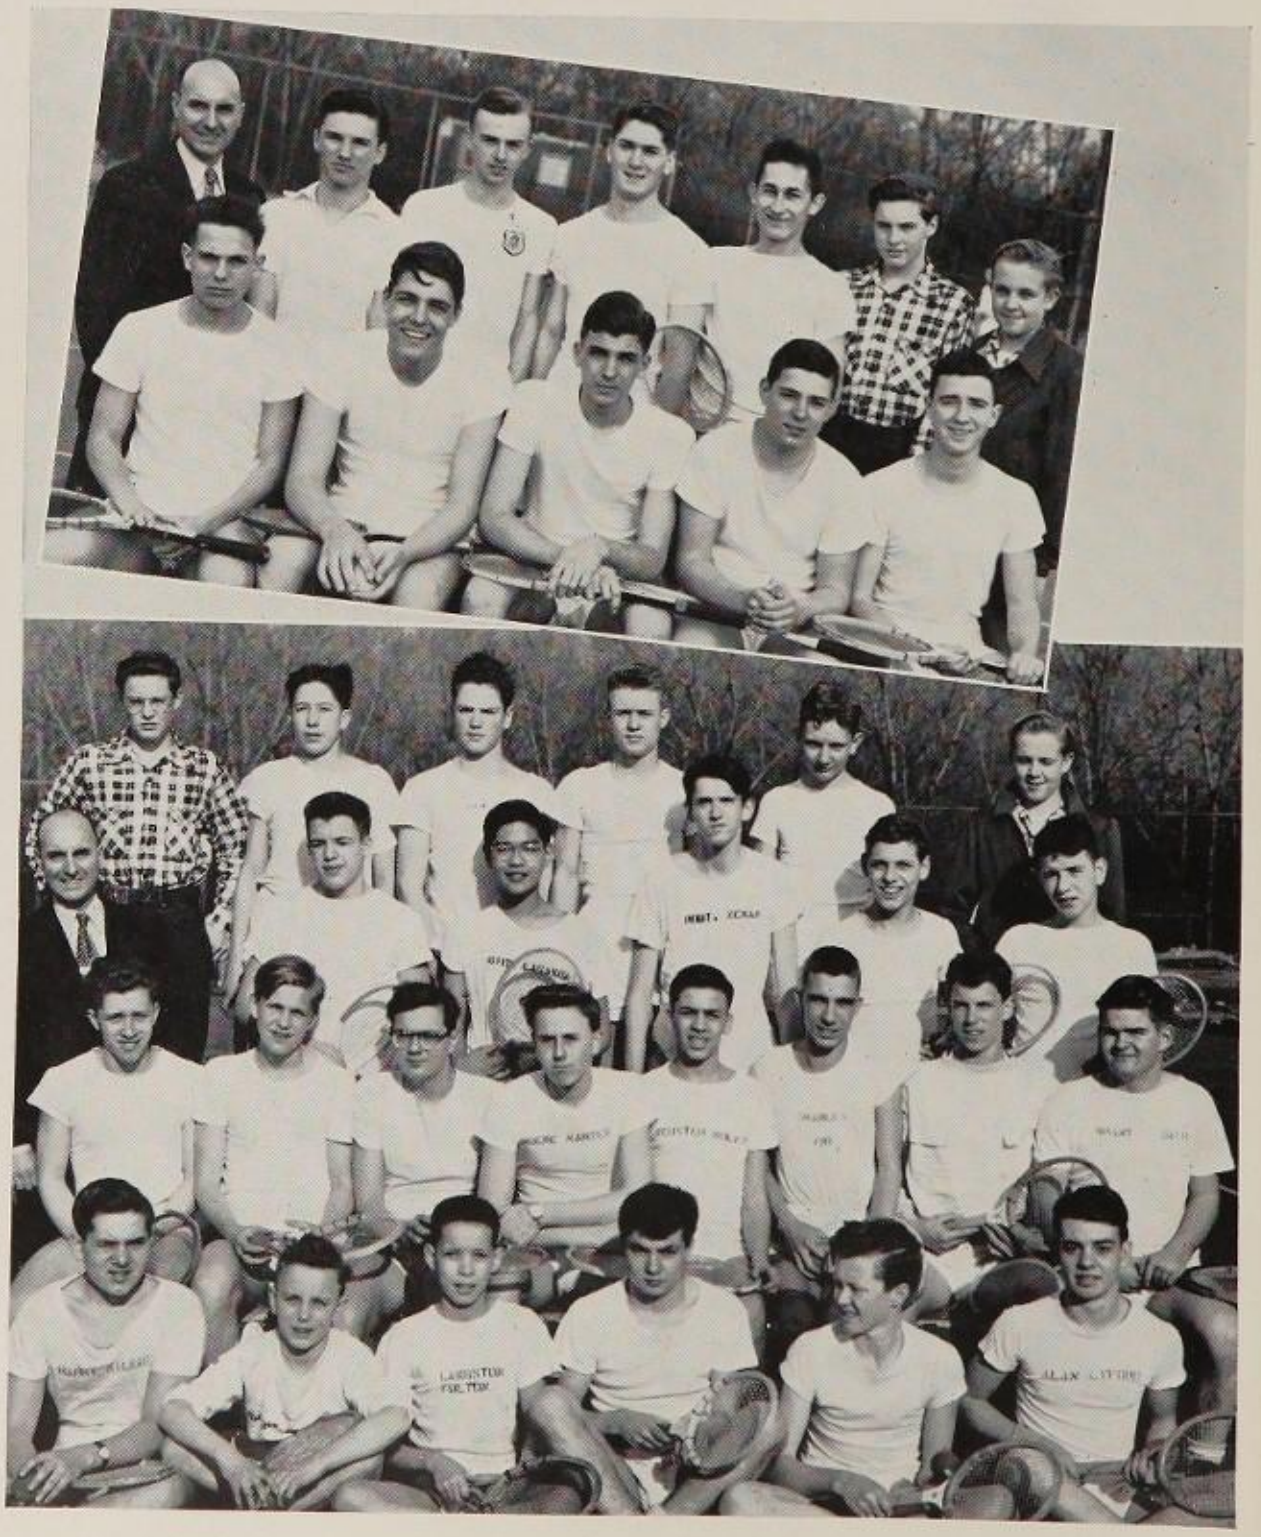
The 1952 golf squad appears to be one of the most impressive teams to represent Proviso in many seasons. Coach Foster is counting heavily on several good returning veterans to supplement a crop of new candidates. It is hoped that returning lettermen Wayne Etherton and Wayne Woelke will give the support needed to make this a victorious season. With the right breaks, and if favorable weather permits play, this campaign promises to be an interesting and impressive one.

Coach Bennett once again has a fine crop of rookies around which to build a championship team. Adding much needed punch to the varsity squad this year is a quartet of returning lettermen boasting Bob James, Jim Neubauer, Harold Rosenwinkel, and Bob Mayers. The racketeers are hopefully looking forward to bettering last year's mediocre record of 2-4. As the *Provi* goes to press it appears as though their aspirations are well on their way to becoming a reality.



Front row: Rosenwinkel, Neubauer, Thiele, Guess, Williams. *Back row:* Coach Bennett, Mayers, James, Cohan, Zusman, Dillon, manager; Cederberg, manager.

Front row: Milkau, Flemming, Fulton, Slice, Vydra, Lyford. *Second row:* Merkel, Coburn, Malwitz, Marten, Kulwiec, Fry, Frillman, Davis. *Third row:* Coach Bennett, Petroledo, Lagasca, Zeman, Terrana, Scott. *Back row:* Dillon, manager; Bjorson, Groat, Grounds, Kasier, Cederburg, manager.

Buc Thinclads Sprint To Fine Season

After a fairly successful indoor season, the Buc cindermen moved to continue their fine showing on the exposed oval. The Oak Park relays saw the Pirates snatch a third, with Norm Altenhoff gaining the pole vault crown. Another top thinclad, Curt Thompson, has kept the Bucs near the top.

The fresh-sophs followed in the footsteps of their elders as they piled up an impressive record against their loop foes.

It appears, as the *Provi goes to* press, that the Proviso track teams should have a successful season. With the imposing array of track ability the Pirates possess, there is little doubt that the cindermen will carry home many honors for their alma mater.

VARSITY

Prospectus

Look back . . . the child you were calls faintly as
A cloud of time envelops him. He's gone.
Look back . . . a clumsy adolescent hails
Your rising height. His image, too, dissolves
In swirls of time. You look again—he's gone.

Look back . . . you labored up those steps to reach
The final stage—adulthood. Once upon
That landing you can retrospect no more.
Although your mind's grasp falters with its hold
On fleeting visions of the past, your eyes
Must look ahead to new reality.

Look forward . . . life begins with thought-out plans;
The final set will shape your future fate.
But life can't find its place by settling down
To set ideas—patterns wrought by men
Who lived before you. Life must fight to fling
Aside old shells of living. Mold your own
Or shapeless casings will enfold your life
In halls of drudgery; but those designed
For happiness, with love their main intent,
Will point the way to corridors of peace.
Look forward!
